DETAILED ACTION

1. This communication is in response to amendment filed 10/26/04.

Response to Amendment/Remarks

2. In response to the amendment claims 1, 5, 10, 11, 13, 15, 16, 19, 22, 23, 27, 33, 35, 38-41, 43 and 44 have been amended.
3. Claims 24, 25 and 45 have been canceled.

Claim Rejections - 35 USC § 112

4. Claims 1-49 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 recites step (a) offering an incentive to identify a plurality of payment instruments usable to consummate said transaction does not functionally relate to any other step of the claimed invention since steps (b) – (c) are carried out on the basis of “at least two payment instruments” described in the information obtained from the customer.

The applicant is required to clarify the relationship of the “plurality of payment instruments” recited in step (a) to that of “at least two payment instruments” recited in step (b).

In further analysis of the claim, the examiner has considered that the relationship of steps (a) and (b) exists in the following form.

Step (b) reads:

Obtaining from said customer information describing at least two payment instruments from said plurality of payment instruments identified by said customer.

Apparatus claim 35 also contains similar deficiency. The examiner has considered the claim in light of similar consideration.

Appropriate correction is required.

Art Unit: 3624

Allowable Subject Matter

5. Claims 1-23, 26-44 and 46-49 are allowed subject to further amendment of claim(s) that would resolve the 112(second) deficiencies discussed earlier.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, THIS ACTION IS MADE FINAL. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
